## Big V - Men

Our Men had the long trip to Warrnambool Saturday night for to battle the Seahawks.

The United Men started off on fire in the first and early in the second term – jumping out to a 26 point lead at one stage.

The home team then went on a 14-0 run in the second term to close the gap to a 9 point lead at half time.

The Seahawks outscored United in the final 3 terms, with a 15-0 run in the final term ended up defeating United by 9 points.

It was a wake-up call for the Men who have been elevated into Division 1, a harsh lesson that big leads in this division can be pulled back with the talent in the league.

While United scored more than their winning total last week, it was on the defensive end where the work needs to come.

Our Women travelled to Mornington to take on the Breakers. The Breakers were a formidable team last season however with a huge turnover in listed players it was a new look team for our team to battle.

It was a complete whitewash, the Gippsland United Women dominating from start to finish to end the game 109 point victors.

Macey McGlead and Shanara Notman had a side battle to see who could finish with the highest score. Shanara won that battle scoring 36 points to Macey's 35 points. Shanara white hot from deep with 6/10 made 3pt shots.
