This player is limited to a maximum of two (2) games with the higher team. Permission to play more than two (2) games may be sought from the VJBL administration in exceptional circumstances. (If players are missing due to being on holidays, this will not be accepted as a valid reason)

No player shall play for two teams at the same age level in the same round, unless granted permission in exceptional circumstances by the VJBL Administration prior to the game.

Should a team require extra player(s), then players from the same association in a lower age group may play in the older age group once permission is sought and approved by the VJBL Administration.

Players may be eligible to play up an age group and drop one team at the VJBL Administrations discretion if a request is made in writing by no later than 1pm on the day of the game. For example: (14-1 up to 16-1 or 16-2) (12-3 up to 14-1, 14-2, 14-3 or 14-4)

If a request is not made in writing by 1pm on the day of the game, teams will be allowed to move a player up one age group and back three divisions only if a verbal request is made to the VJBL emergency phone and approved by the VJBL Administration.

### **8.3 PLAYER MOVEMENT (FILL IN PLAYER) – CHAMPIONSHIP PHASE:**

If due to any reason, a team should have less than eight (8) players for VC grades and less than seven (7) players for VJL grades for a round, a player from a lower graded team from the same association and age group may play. This player is limited to a maximum of two (2) games with the higher team. Permission to play more than two (2) games may be sought from the VJBL administration in exceptional circumstances. (If players are missing due to being on holidays, this will not be accepted as a valid reason)

No player shall play for two teams at the same age level in the same round, unless granted permission in exceptional circumstances by the VJBL Administration prior to the game.

Should a team require extra player(s), then players from the same association in a lower age group may play in the older age group once permission is sought and approved by the VJBL Administration.

Players may be eligible to play up an age group and drop one team at the VJBL Administrations discretion if a request is made in writing by no later than 1pm on the day of the game. For example: (14-1 up to 16-1 or 16-2) (12-3 up to 14-1, 14-2, 14-3 or 14-4)

If a request is not made in writing by 1pm on the day of the game, teams will be allowed to move a player up one age group and back three divisions only if a verbal request is made to the VJBL emergency phone and approved by the VJBL Administration.

### **8.4 PLAYER MOVEMENT (REPLACEMENT PLAYER):**

If a team permanently lose a player due to player withdrawal (confirmation required in writing) or season ending injury (medical certificates required), the VJBL may allow player movement between teams upon association request and receiving all required information.

For example:

An 18-1 VC team lose a player due to injury, we will allow a player to be moved from the 18-2 team to replace that player, we will then allow a player to move from the 18-3 team, to the 18-2 team and so until teams have been replenished as requested.

### **8.5 PLAYING UP MORE THAN ONE AGE GROUP:**

Written permission in the approved form from a parent or guardian must be submitted to the VJBL by the Association contact. A player can play up a maximum of two age groups, but can move down a maximum of only one team.

For example: (14-1 up to 18-1 or 18-2) <https://www.basketballvictoria.com.au/resources/competition-resources/vjbl#general-resources> (Players may play in more than one age group in the same round, but can't play twice in the same age group)

## **9.0 GAMES QUALIFICATION:**

### **9.1 DEMONSTRATION OF GAMES QUALIFICATION:**

PLAY HQ – For the sole purpose of game qualification a player shall be considered to have played in that particular game when the player is in uniform and takes the court, players may be made active at any stage of the game.

Scoresheets - The names of all players who participated in the game (Both Given Name and Surname) must be written on the reverse of the score sheet with the player's signature next to it for qualification purposes.

### **9.2 MEDICAL EXEMPTION:**

Medical certificates may be accepted as evidence of injury/illness and can be used for exemption to game qualification criteria. For a player to be eligible to use a doctor's certificate, they must be nominated as part of the team prior to the injury taking place.

### **9.3 QUALIFICATION FOR RE ASSESSMENT/CROSSOVER GAMES: (GRADING PHASE)**

A re assessment game is when a team is given a game against a team in another division.

### **9.4 QUALIFICATION FOR FINALS:**

To be eligible to represent a team in finals, a player must play a minimum of 40% of games with that team. In the case that 40% would not be a round number then the total will be rounded up. (i.e. 9.2 games would become 10 games)
